

PRODUCTION OFFICER (M/F)

About TheraVet

TheraVet is a vet company headquartered in Belgium (Wallonia) with a US-based subsidiary. TheraVet mission is to develop innovative, safe and effective products to improve the well-being of animals suffering from osteoarticular diseases. TheraVet is developing two product lines: (i) VISCO-VET is currently in clinical phase in canine osteoarthritis and (ii) BIOCERA-VET, developed for the treatment of bone indications, ready for commercialization by early 2021.

To reinforce its organization, TheraVet is looking for a “*Production Officer (M/F)*”

Your responsibilities

- Perform internal production activities in accordance with GMP and ISO requirements and report to the Product Manager (plan and perform production activities, coordinate shipment or reception of products)
- Manage logistic and production activities for commercial purposes (supply, warehousing, supervision)
- Manage QC activities and report to the production manager (perform internal QC testing according to internal SOPs, plan with subcontractors)
- Manage day-to-day logistics operations (selection, ordering and purchasing of material, cleaning and disinfection of areas, inventories management...)
- Ensure the compliance with GMP and ISO requirements
- Keep the production, QC and traceability documentation updated
- Write and update internal SOPs related to daily task.

Your Profile

- Master or bachelor's degree in chemistry, biochemistry or biotechnology
- A min of 3 years of experience as production technician or officer is a plus
- Knowledge in GMP and ISO requirements
- Able to work in autonomy
- Multi-tasking ability and attention to details
- Excellent organizational skills
- Excellent knowledge of MS Office
- Fluent in French and strong writing skills in English required

Our Offer

We offer a truly global, dynamic and challenging environment with great opportunities for personal development with

- Attractive salary package
- Full time contract
- Immediate start
- Based in Anderlecht and Jumet (Charleroi)
