

## PRECLINICAL PROJECT MANAGER (M/F)

### About TheraVet

TheraVet is a vet biotech company headquartered in Belgium (Wallonia) with a US-based subsidiary. TheraVet mission is to develop innovative, safe and effective products to improve the well-being of animals suffering from osteoarticular diseases. TheraVet is developing two product lines: (i) VISCO-VET, a pharmaceutical drug, currently in clinical phase in canine osteoarthritis and (ii) BIOCERA-VET, a medical device, developed for the treatment of bone indications, commercialized since April 2021 in Belgium.

To reinforce its organization, TheraVet is looking for one “*Preclinical Project Manager (M/F)*”
