

## VETERINARY AMBASSADOR (OSTEOARTICULAR DISEASES) (M/F)

### About TheraVet

TheraVet is a vet biotech company headquartered in Belgium (Wallonia) with a US-based subsidiary. TheraVet mission is to develop innovative, safe and effective products to improve the well-being of animals suffering from osteoarticular diseases. TheraVet is developing two product lines: (i) VISCO-VET currently in clinical phase for the treatment of canine osteoarthritis and (ii) BIOCERA-VET developed for applications in bone surgery.

To reinforce its organization, TheraVet is looking for a

***“Veterinary Ambassador (M/F)- Companion animal (osteoarticular diseases)”***
