

PRODUCT DEVELOPMENT MANAGER (M/F)

About TheraVet

TheraVet is a vet biotech company headquartered in Belgium (Wallonia) with a US-based subsidiary. TheraVet's mission is to develop innovative, safe and effective products to improve the well-being of animals suffering from osteoarticular diseases. TheraVet is developing two product lines: (i) VISCO-VET, a pharmaceutical product, currently in clinical phase in canine osteoarthritis and (ii) BIOCERA-VET, a line of medical devices, developed for the treatment of bone indications, commercialized since April 2021.

To reinforce its organization, TheraVet is looking for a ***“Product Development Manager (M/F)”***
